I hereby certify that the information stated on and submitted with this application is true and correct. I also understand that the submittal of incomplete or incorrect information will result in this application not being processed. I understand that payment of these fees does not entitle me to approval of this permit and that no refund of these fees will be made. I have reviewed the attached Ordinance 2009-01-00 related to "The Use and Control of County Owned Parks, Boat Launches and Historic Sites" as so adopted by the Baldwin County Commission and I further understand that the decision of the Baldwin County Highway Department shall be final and conclusive on any question that may arise relating to this permit and/or to any proposed activity described within this permit.

I further understand that security deposits may be returned to the permittee depending upon a determination by the County Engineer or his designee that the subject area has been returned to the pre-event condition. In the event that additional measures need to be taken in order for the subject area to be returned to normal, the permittee will be given one opportunity to correct the problems as identified by the County Engineer or his designee. If the applicant fails to correct the problems within a *designated* time frame, the security deposit shall be forfeited in exchange for the problem being corrected by County.

In compliance with Ordinance 2009-01-00, all approved permits are required to be clearly posted on site during the times set forth within the permit. Nothing herein will relieve Applicants or others from their duty to fully comply with Ordinance #2009-01-00.
