NOTE: (CHARACTERISTICS OF A GOOD POLICY AND PROCEDURE DOCUMENT) -- A policy is typically a document that outlines specific requirements or rules that must be met. The overall goal is to write policies that are clear, concise and in simple language. If you use an acronym, spell it out the first time you use it.

POLICY STATEMENT

This policy allows the Baldwin County Building Official to approve a **Road Name Change** or a **New Road Name** application and submit to E911 Addressing and or the Baldwin County Commission for approval as directed by Resolution #2006-04 dated October 4, 2005.

PROCEDURAL REQUIREMENT

In order to carry out this policy, the following steps must be taken:

1. An application is received by the Building Inspection Department. They in turn verify that all information is correct and that the requirements are met and process accordingly.
2. If the application is for a **New Road Name** and all the requirements have been met, the application is forwarded on to E911 Addressing for processing.
3. If the application is for a **Road Name Change** the following will apply:
 - a) Building Inspection staff receives request from either E911 Addressing or the General Public, maps out the road and verifies all information is correct.
 - b) A non-refundable processing of \$50.00 must accompany the application.
 - c) Building Inspection staff presents to the Baldwin County Commission at Work Session. If at Work Session there is no problem or questions, the request is then forwarded to the County Commission for approval at the next regularly scheduled meeting.

- d) Once the request is approved by the Baldwin County Commission, the request is then forwarded to the Sign Division of the Highway Department for ordering of sign and installation.

SUGGESTIONS FOR COMPLETING THE NEW ROAD NAME PETITION

Please make sure you complete all required parts of the form and meet all the stated criteria so that your petition will pass its initial review. A rejection of your request at any point in the process will activate a twenty-four (24) month waiting period before another petition will be accepted for processing.

Road Name Selection

Personal names are strongly discouraged because many difficulties have resulted from allowing personal names at the outset of the naming program. If a name you wish to have considered begins with a word that has already been used for a road name anywhere in the county or municipalities, it will have to be refused. This is in order to avoid duplication that can lead to problems when wireless communication equipment is used to call for emergency response. You are welcome to contact the 9-1-1 Addressing personnel to check for duplication before submitting your petition.
