Honorable Tucker Dorsey, Chairman  
Baldwin County Commission

RE: Expiration of Board Member's Term  
Charlie Jones 11/14/2016

Dear Chairman Dorsey:

The board term of Chief Deputy, Charlie Jones will expire on November 14, 2016. At the board meeting held on October 26, 2016, the board asked me to submit a letter to the County Commission requesting the reappointment of Chief Deputy Jones for an additional four year term. As you know, Mr. Jones has served as our board chairman for many years and has provided outstanding leadership for the agency. The board has also requested that I ask that this matter be placed on the County Commission's meeting agenda as soon as possible in light of the building project and associated public bond financing. Chairman Jones will be signing contracts and bond purchase agreements in the coming weeks.

Thank you for your consideration of this matter. On behalf of board and staff of Baldwin County 911, thank you also for your continued support.

Sincerely,

Christine Heger  
Director

Cc: Ron Cink, County Administrator
